**JEFF ALLEN**

**Director, Clinical Agreements**

203-737-2168

- Develop, review, negotiate, and execute clinical trial agreements, confidential disclosure agreements and other sponsor contracts that support the clinical trial activities of Yale University in accordance with University standards.
- Assist in the creation, negotiation, and implementation of clinical trial budgets and informed consent documents.
- Provide guidance to department faculty and staff regarding the interpretation of contract provisions, federal regulations, University policies and sponsor requirements.
- Collaborate and consult with other University offices including HRPP, ORA, YCCI, and OGC regarding clinical trial activities and issues.
